

# QUALITY MENU COVERS

QUALITY MENU COVERS will enhance any restaurant decor. Constructed with durable 25 point Lexide. Folded menus can be inserted with double stick tape, tassels, or stretch cords. Individual pages can even be put on with menu clips. If you prefer, we can install 4 ribbon corner panels to the inside cover to create a pocket menu effect. The ribbon corners are 5/8" satin polyester ribbon mounted onto 15 point white board, or we can produce turned edge liners made with satin moiré ribboned panels.

Custom sizes available. Call for pricing.
