

TABLE TENTS AND PANEL BOARDS

This group is made of the finest bookbinding tradition with heavy board covers, turned edge panel linings, and square corners. The TABLE TENTS are made with padded board and 4 corner liners are done in the same material as the cover. Only the finest ribbon is used joining the 2 panels. The PANEL BOARDS are done with heavy flat board. The metal corner laminated style is done by you supplying the printed menu. We'll do the rest. Minimums apply.
